

Green Belter Camping Code of Conduct

Camping is free and on a first come first served basis. To make the camping experience as comfortable as possible, whilst still retaining its wild outdoors atmosphere, we ask the following of you:

- Tents should not exceed 12'x12' unless it is accommodating more than 4 people.
- Gazebos and tents for common areas are not permitted.
- Please respect other campers and the ground you are camping on.
- We ask that you take your camping litter away with you. The litter receptacles we provide are for the onsite catering, and our clear-up of the site. It is greatly helped if you can pack-out what you pack-in. If these arrangements are frustrated it may lead to camping fees in the future.
- Please be aware that Open Fires, Gas Barbeques, large 'Calor Gas' bottle style cooking units/heating units (smaller personal gas can cooking appliances are fine) are not allowed in the camp site. (there will be catering options to choose from on Saturday until 1900, If you are found abusing this rule will be politely asked to leave the campsite immediately.
- Glass bottles of any kind are also not permitted in the camp site.
- There is not a designated quiet area at this event. If you seek quiet then the further you camp from the event village, the quieter it will be.
- Toilets will be provided on site in the form of portaloos. Toilets will be opened from 1030 on Saturday until 10am Sunday morning. Please note there are no shower facilities at the events.

DO's and DON'T's

DO - Come Prepared. Warm Clothes and Sleeping Bags are a must

DO – Respect your new camping neighbours. Not everyone wants to hear you at 2am or too early on Sunday morning

DO – Have fun and remember, we can only keep it free if you keep respecting the grounds

DO – Take your litter way with you, please

DO – Vacate the campsite by 1000 on Sunday

DON'T – Bring Stereos, Gas BBQ's, or wood for Open Fires

DON'T – Bring Glass Bottles of any kind into the camp grounds

DON'T – Start a fire. You will be asked to leave immediately
